Principles in Action is about active studentship in the Kabalarian Philosophy. This study program will assist you in forming a plan for daily application of all the knowledge you have gained to this point.

Through the consistent application of the concepts taught, you will gain a greater understanding and appreciation of what it means to be mentally free and how it can be achieved through a universal understanding of life.

Living the principles consistently brings untold benefits in health, personal happiness, in harmony with others, in business success, and in spiritual fulfilment.

All life is based on this successful progression of effort leading towards accomplishment. Discover how you can put into action principles to create progressive changes and personal fulfilment.

Philosophy 2-Principles in Action is a study program presented by the Society of Kabalarians of Canada.
